Delay in Obligational Authority			-312.9	+312.9
New Funding Profile	\$36.3	\$150.0	-\$500.0	+312.9

Clean Coal Technology

Because of advance appropriations and a slower spending rate in FY96-99, DOE can reduce funding by \$500 million in FY 1997. \$313 million of the reduction can be shifted to FY 1998.
